FMR Resources Limited (**Company**)

The Board of Directors of the Company (**Board**) are committed to achieving and maintaining high standards of performance and corporate governance.

The Company supports the 4th Edition of the ASX Corporate Governance Council's Corporate Governance Principles and Recommendations (**Recommendations**).

The Company's practices are largely consistent with the Recommendations. The directors of the Company (**Directors**, being either Non-Executive Directors or Executive Directors) are responsible to the shareholders for the performance of the Company in both the short and the longer term and seek to balance sometimes competing objectives in the best interests of the Company as a whole. Their focus is to enhance the interests of shareholders and other key stakeholders and to ensure the Company is properly managed.

As required by the ASX Listing Rules, the Company's main corporate governance policies and practices are summarised below, having regard to the Recommendations. Details of the Company's corporate governance plan and related documents are available online at www.fmrresources.com.au

<p>Recommendation 8.3</p> <p>A listed entity which has an equity-based remuneration scheme should:</p> <p>(a) have a policy on whether participants are permitted to enter into transactions (whether through the use of derivatives or otherwise) which limit the economic risk of participating in the scheme; and</p> <p>(b) disclose that policy or a summary of it.</p>	<p>Yes</p>	<p>The Company's Trading Policy prohibits the hedging of unvested performance share rights and vested securities that are subject to disposal restrictions at all times, irrespective of trading window. This is in line with the requirements of the <i>Corporations Amendment (Improving Accountability on Director and Executive Remuneration) Act 2011</i> (Cth), and is intended to prevent transactions which could have the effect of distorting the proper functioning of performance hurdles or reducing the intended alignment between management's and shareholders' interests. For the purposes of this policy, hedging includes the entry into any derivative transaction within the meaning given in section 761D of the Corporations Act (such as options, forward contracts, swaps, futures, warrants, caps and collars) and any other transaction in financial products which operate to limit (in any way) the economic risk associated with holding the relevant securities.</p> <p>The Trading Policy is available on the "Corporate Governance" page of the Company's website, www.fmrresources.com.au.</p>
